five million people who are proud to call them-
selves North Carolinians.

The 1971 State Fair was designed with

JAMES A. GRAHAM
COMMISSIONER

To All North Carolinians:

On behalf of the entire staff of the North Carolina State Fair and the North Carolina Department of Agriculture, I want to invite you to exhibit at and attend the 1971 North Carolina State Fair.

Each year the North Carolina State Fair is one of the state's most educational, enjoyable and colorful events. Thanks to your participation, it is always one of the top agricultural, educational and industrial fairs in the country. We are very proud of our North Carolina State Fair because it means much to North Carolina.

This year promises to be a trend-setter for future direction of the State Fair. The entire field crops area will be given to the "Wonderful World of Soybeans". The complete industry, from soybean production to the processing of synthetic foods from soybeans will be highlighted.

Recent innovations in free entertainment on the fairgrounds will be further expanded with a wide array of puppet shows, petting zoos, and name bands providing regular shows free to all fairgoers throughout the full nine-day event.

This year more than ever, the North Carolina State Fair will be an event to remember. I want to personally invite you to participate as an exhibitor or just a spectator to enjoy the fair. You are always welcome.

With all good wishes.

Cordially,

James A. Graham

Information And General Rules For Exhibitors And Patrons

Exhibitors and patrons are sincerely requested to make constructive criticisms and offer helpful suggestions toward bettering any part or department of this, YOUR STATE FAIR.

Please report any discourtesies by gatemen, concessionaires, showmen, or others connected with the Fair. If, for any reason, there is a misunderstanding about admission at gates or elsewhere, please pay the admission price asked, take a receipt for same, and come direct to the Manager's office. Please do not block traffic and delay others by prolonged arguments with ticket-sellers, gatemen and ticket-takers who are working on strict orders from the management and are not allowed to vary from them.

Concessions and attractions are granted privileges on the grounds to supply the necessary wants, comforts, conveniences and pleasures of the patrons. The management will not accept or knowingly allow the continuance of any concession, show or other attraction of a questionable nature or a demoralizing tendency, nor will any concession be permitted where the business is conducted in other than a legitimate and legal manner.

Drunkenness, quarreling, or the use of profane or obscene language will not be allowed on the grounds. No begging will be permitted.

No peddling, hawking or selling of any kind will be allowed in the buildings or on the grounds except by special license obtained from the Manager.

All dining halls, lunch stands, refreshment booths, and other places dispensing food and beverage must be substantial in structure and neat in appearance. They must meet all health regulations and must sell only good, wholesome food and pure honest goods at reasonable prices which must be approved by the Fair management and displayed in a prominent place. No soft drinks may be sold in bottles.

Parties owning buildings upon the State Fair grounds must notify the manager thirty (30) days prior to the opening of the Fair as to whether they desire to occupy the same or not, and if so, make arrangements with the superintendent of the department for such occupancy. Failure to comply with the provisions of this rule will cause the forfeiture of the use of such building or buildings by the Fair management.

Any party or parties, firm or corporation owning buildings or material upon the State Fair grounds without lease, or whose lease has expired, who shall fail to remove same upon order of the manager within the time specified, shall forfeit all claim thereto, and the Fair management may take charge of and remove same, charging expense attached thereto to the owner or owners thereof, which expense or claim must be paid before material is released to the owner.

The management of the State Fair reserves the right to amend, add to and interpret the foregoing and following Rules and Regulations, and to arbitrarily settle and determine all questions and differences in regard

thereto, or otherwise arising out of, connected with, or incident to the Fair. In the event of conflict between the General Rules and the special rules which appear as headnotes of the various divisions and departments of the Fair, the latter will take precedence.

Disregard of any rule, or misrepresentation on the part of the exhibitor concessionaire or patrons will forfeit all premiums won, privileges granted fees paid, and rights to further participation in the Fair.

SERVICES

The Southern Bell Telephone Company will maintain complete service and toll stations at convenient points on the FAIRGROUNDS.

An Information Bureau and office for reporting and recovery of lost and found articles will be maintained on the State Fairgrounds. This service is free and will be cheerfully given. Please do not ask for the use of the Public Address System to locate "lost" persons except small children and in emergencies, or where school bus drivers and other group leaders desire to announce departure times.

An office for the use and convenience of representatives of the Press, and Radio and Television Stations, will be maintained with telephones, type writers, and other facilities. It will be a pleasure to supply authentic information of news value about the Fair, including lists of premium awards. Arrangements may be made in advance for special Press, Radio and Television coverage of the Fair by competent trained personnel.

The American Red Cross will maintain an emergency hospital and first aid station at the *Lounge*, with trained attendants in charge at all times.

Adequate toilet facilities for men and women are maintained throughout the grounds. ATTENDANTS ARE NOT ALLOWED TO CHARGE FOR USE OF THESE FACILITIES.

In order for the State Fair to maintain a complete file of pictures for the use of Press and Television services, exhibitors and patrons are requested under no obligation to purchase pictures, but may arrange directly with the photographer for this service if they so desire.

Decoration and sign painting service, at nominal charges, will be available to exhibitors and can be arranged through the Information Desk at the Manager's office.

A feed and forage concession will be operated for livestock exhibitors. The Fair will furnish free the original bedding for each stall and pen, but exhibitors are required to care for and feed their own animals and they must keep stall and pens clean and well bedded thereafter.

The State Fair will employ police, guards and traffic directors, and will use diligence to promote safety and protection of patrons, and their exhibits and property on the Fairgrounds. But, under no circumstance will the Fair or any of its officers and employees be responsible for loss or damage to persons and their property (including entries, exhibits, automobiles in parking lots, and articles left in cars) because of accidents, theft, fire, the elements, or other conditions.

Articles and animals shipped or mailed to the Fair for exhibit will be

accepted only if ALL CHARGES ARE PREPAID. Be sure packages mailed or shipped are properly addressed in accordance with instructions for shipment listed later in this section under "Exhibits and Exhibitors."

INCOMING MAIL and parcels addressed to exhibitors, patrons, concessionaires and others connected with or attending the Fair should be called for at the Manager's office. No responsibility can be assumed for delivery. Messages telephoned, telegraphed or delivered to the Manager's office for persons exhibiting at, attending or connected in any way with the Fair, will be accepted for delivery only at the convenience of the Office, Staff, and as the time permits. No responsibility will be assumed for delay or non-delivery of such messages.

OUTGOING MAIL may be dispatched and stamps may be purchased at the STATE FAIR sub-station operated by the Raleigh Post Office located at the entrance of the Red Cross LOUNGE BUILDING in the "WORLD'S LARGEST MAIL BOX." The mail service window is open daily during Fair Week from 11:00 A.M. until 5:00 P.M.

Workers' Badges are issued only to those directly connected with the operation of the Fair.

Sufficient electric light and power service will be furnished by the Fair to properly illuminate and service the exhibition buildings and grounds. Exhibitors and concessionaires requiring individual electric light and power service in their booths and stands of more than 30 amps 115-230 volts will need to make application through Administration Office. ONLY THE OFFICIAL STATE FAIR ELECTRICIANS MAY MAKE INSTALLATIONS AND CONNECTIONS.

Where outside wiring is necessary, a fixed charge of \$5.00 will be made for each 50 feet or fraction thereof for making connection. All materials must be supplied by the applicant.

If located inside of building where wiring exists, any additional labor or material must be paid for by the applicant.

No service will be given for less than minimum charge of \$5.00.

The charge for electric current for power and lights will be as follows: 6¢ per kilowatt hour. Motors will be rated on amperage per kilowatt hour.

The current is alternating single phase, or 3-phase, 60 cycles, 120-220 volts.

Electric stoves, grills, percolators, waffle irons, and all electrical equipment will be charged for at the regular rate. These must not be connected until Fair Electrician has granted permission.

Trucks and other vehicles to service exhibits and concession stands will be permitted on the grounds ONLY between the hours of midnight and 10:00 a.m., and between 5:00 p.m. and 6:00 p.m. daily. Permits for entry of service trucks and vehicles must be obtained in advance of the opening of the Fair from the Manager's office.

Additional information to that contained in this publication, and interpretation of any of the rules and regulations of the Fair may be obtained by writing or communicating with: MANAGER, N. C. STATE FAIR, P. O. BOX 5565, RALEIGH, N. C. 27607 (Telephone: 832-7549).

ENTRIES

MAKE ALL ENTRIES EARLY!!! The right is reserved to reject any entry, and all entries received after all space is taken must be rejected.

You will find the CLOSING DATES FOR ENTRIES set out in the Rules and Regulations and the general headings of each of the various departments. These dates VARY WITH THE SPECIAL REQUIREMENTS OF THE SPECIFIC DEPARTMENT. Check these Closing Dates carefully.

SEPARATE ENTRY BLANKS are required for entries in each of the departments. Request the Entry Department supply you with an adequate number of entry blanks.

Competition is OPEN TO THE WORLD in the Rabbit Department, Dairy Cattle Department, Beef Cattle Breeding Animal Department, in the Swine and Sheep Departments, and the Horse Show.

Certain poultry classes are open to exhibitors of Florida, Georgia, Maryland, South Carolina, Tennessee and Virginia, and other states, if space allows, as well as North Carolina. In all other divisions and departments competition is LIMITED TO RESIDENTS OF NORTH CAROLINA. *NO DEPARTMENT SUPERINTENDENT OR DIRECTOR, OR MEMBERS OF THEIR IMMEDIATE FAMILIES MAY ENTER EXHIBITS IN THEIR RESPECTIVE DEPARTMENTS.*

All entries (with exceptions noted in the Livestock Division for group classes) must be made in the name of the owner, breeder, manufacturer, grower, producer or one whose skill the exhibit represents. A firm, to be entitled to exhibit as such, must have been organized not less than 30 days prior to the closing date for entries, and such firm must have been organized as a bona fide firm for the purpose of producing, or buying and selling the articles or animals it proposes to exhibit in the name of such firm. A firm will be regarded as one exhibitor.

Official printed forms **MUST BE USED** in making applications for entry.

One will be found in the back of this book. **USE A SEPARATE FORM FOR ENTRIES IN EACH DEPARTMENT.** *Be sure to fill out the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address and zip code.

Additional application forms are available upon request to: **MANAGER, N. C. STATE FAIR, P. O. BOX 5565, RALEIGH, N. C. 27607.**

Incomplete entry forms will be returned for correction if there is time to do so, but **REMEMBER:** No article or animals will be entitled to exhibit space until proper entry has been made, and no entry will be accepted after the closing date listed for the department.

Once an entry is made, it cannot be changed except where it is improperly classed or a mistake has been made in copying the original entry—in which event the changes can be made only with the permission of the Department Superintendent or Director in charge, **AND THEN ONLY IN THE OFFICE OF THE "ENTRY DIRECTOR."** If the records are altered and do not

conform with the information on file in the Entry Department, payment of premiums will be withheld.

No person except personnel of the Entry Department will be allowed to see the entries, or have access to the entry books, until after the awards are made.

The same article or animal cannot be entered for more than one premium number (except as otherwise stated in the Special Department Rules and Regulations). Collections and displays must be made up of specimens other than those entered in single (individual) classes unless otherwise noted.

Except for the Horse Show no entry fees are required in any department, except that livestock, poultry, and rabbit exhibitors must include payment of stall, pen and coop fees with their applications for entry. (SEE HEADNOTES OF THESE DEPARTMENTS FOR SCALE OF FEES.)

Application forms for entry should be mailed to: MANAGER, N. C. STATE FAIR, P. O. Box 5565, Raleigh, N. C. After October 8, 1971, the Entry Department will be staffed to receive applications for entry in person.

Entry Department will be open from October 4 until October 24, 8:30 A.M.-6 P.M. except Sundays, 1-6 P.M.

EXHIBITS AND EXHIBITORS

The dates on which your exhibits must be in place at State Fair VARY FROM ONE DEPARTMENT TO ANOTHER. These dates are set out in the Department Headings and Rules and Regulations. Check these dates carefully so you can get your exhibits IN PLACE AT THE PROPER TIME TO BE JUDGED.

UNCLAIMED EXHIBITS FROM COMPETITIVE DEPARTMENTS, will be considered abandoned if not called for within one week after the official closing of the Fair, and may be disposed of as the Manager of the Fair sees fit. SEE SPECIAL RULES for the Culinary, Field Crops, and Horticulture Department.

Remember! All exhibits must be officially entered in the Fair, on official printed forms provided for that purpose, before the closing date for entries in the department. No article or animal will be entitled to space or considered in the judging until proper entry has been made. Removal of exhibits before the date and time specified above will be cause for forfeit of all premiums won, all fees paid, and the right to further participation in the Fair.

All exhibits will be numbered and recorded in the books of the proper department and class and exhibit tag with corresponding numbers will be issued. This tag must be securely attached to the exhibit and must remain on the exhibit throughout the Fair (except that exhibit tags issued for livestock and poultry may be conspicuously displayed upon the stall, pen or coop). ENTRY TAGS WILL NOT BE MAILED, but will be available at the Entry Department, Administration Building.

Once the exhibit is numbered and tagged, it should be delivered to the Department Superintendent or Director, who will allocate space and either personally arrange the exhibit in a suitable and attractive display, or direct such action by the exhibitor.

All exhibitors are urged to personally bring their exhibits to the Fair and enjoy the educational and recreational advantages of the annual exposition. However, exhibits may be shipped or mailed to: **MANAGER, N. C. STATE FAIR, P. O. BOX 5565, RALEIGH, N. C., 27607**, and they will be carefully handled, officially entered, tagged, and otherwise treated in the same manner as previously described. They will be given the same consideration with regard to display and judging as exhibits personally delivered.

All exhibits shipped or mailed **MUST BE PREPAID**. No transportation charges for express, postage, freight or drayage will be paid by the Fair. Shipments should be carefully labeled, accompanied by a bill of lading, and properly identified inside and outside the package as to the department, class and premium number under which they have been previously entered. They should be shipped or mailed at least a week or 10 days prior to the opening of the Fair. The management will not be responsible for delayed shipments which arrive at the Fair too late to be considered in the judging.

All carload shipments by freight, for exhibition purposes, should be billed as follows: **FOR EXHIBIT, N. C. STATE FAIR, CAMP POLK, N. C., c/o S.A.L. RAILWAY**. Exhibits so billed will be delivered to the Fairgrounds without extra switching charges. Attention of exhibitors is called to tariff rules, governing the shipment of certain types of articles for exhibition at expositions and fairs, and providing for free return of such exhibits when accompanied by a certificate from the Manager of the Fair certifying that such shipment was on exhibition and ownership of same has not changed. Intending exhibitors should consult their local freight agent for particulars governing Fair shipments, as some types of exhibit material are not returned free and other conditions enter in if shipment is not returned direct. If your local agent is not able to give you full particulars, write the Manager of the State Fair.

Division Directors and Department Superintendents will have full authority over allocation of space, and will have direct supervision of all exhibits which are considered on exhibition as a part of the Fair's attractions, subject to use as these Directors and Superintendents see fit to add to the educational values of the Fair. Livestock able to be led or driven, or which will follow, must participate in parades and group exhibitions as directed by the Department Superintendent.

All livestock must be cared for by the exhibitor except as noted in the Junior Dairy Cattle and Market Cattle shows. Stalls and pens will be furnished bedding before the Fair, free of charge. Thereafter exhibitors will be required to furnish their own bedding and keep all stalls and pens clean. Feed and straw will be sold on the grounds at prevailing prices.

When exhibit tags are issued by the Entry Department for each article entered, a stub with a duplicate number will be given the exhibitor to serve as his claim check to recover and secure the release of his exhibit. Claim checks should be guarded carefully, since Department Superintendents and Directors are not allowed to release any exhibit without presentation of the exhibit tag stub. If the claim check is lost, such loss should be reported promptly and it will be necessary for the exhibitor to furnish the Director of the Entry Department proof of ownership of the article on exhibit.

Exhibits entered in the premium classes which are not claimed within

One week after the close of the Fair will be considered to have been abandoned by the exhibitor and will be disposed of as the Manager of the Fair sees fit. Other exhibits, and materials therein, including concession booths, which are not claimed by the exhibitor or concessionaire within 30 days after the end of the Fair will be considered to have been abandoned and will become the property of the State Fair.

The Fair management reserves the right to reject any exhibit which does not reflect merit and which would not be a credit to both the exhibitor and the Fair. Also, the right is reserved to reject exhibits which are deemed objectionable or unsuitable for exhibition. All entries are accepted conditionally, pending inspection of the article or animal to be exhibited. Any article or animal which proves to be misrepresented or falsely classed will be rejected and the right of the exhibitor to further participation in the Fair will be denied.

Division Directors, Department Superintendents, and/or Judges must report disqualification of entries to the Manager or Assistant Manager of the State Fair immediately after such action is taken. UNDER NO CIRCUMSTANCES WILL JUDGING BE CONSIDERED OFFICIAL AND PREMIUMS PAID IN A CLASS WHERE DISQUALIFICATION IS RECOMMENDED UNTIL APPROVAL OF THE DISQUALIFICATION(S) IS OBTAINED FROM THE FAIR MANAGER OR ASSISTANT MANAGER.

Promiscuous advertising is strictly prohibited. Exhibitors may advertise and distribute literature and free samples from their place of exhibit only, but may not sell any article or animal from their exhibit space without a permit from the manager. The distribution of advertising matter which conflicts in any manner with a concession sold by the Management is prohibited.

Commercial exhibitors and concessionaires are responsible for keeping the space in and around their exhibits, including unused space, aisles and roadways, clean and free of rubbish. An area of 10 feet around each exhibit booth and concession stand must be thoroughly cleaned by the exhibitor or concessionaire at the end of each Fair day. Failure to do so will be cause for cancellation of contract.

No exhibit space assigned may be shared or sub-let without permission of the Fair manager.

Exhibitors and Department Superintendents and Directors may have the exclusive use of the lawn in front of the Educational and Commercial exhibit building for parking until midnight, Thursday, October 14, 1971. Special parking facilities for the Livestock and Poultry Division will be provided at the west end of the Fairgrounds.

JUDGING AND AWARDS

Decision of the judges will be final, and no appeal will be considered except in cases of protest in writing, with strong evidence of fraud or violation of the rules of the Fair. Protests must be filed with the Division Superintendent not later than noon of the day following the award, and must be accompanied by a protest fee of \$5.00 which will be retained by the Fair if the protest is not sustained. The Division Superintendent will

appoint a committee to consider the protest and all interested parties will be notified of the time of the hearing and will be given an opportunity to be heard. The rules of the International Association of Fairs and Expositions governing appeals will be those of the North Carolina Fair.

Judges will not award premiums to any article or animal because of its mere presence. It must be individually worthy. It is not the policy of the Fair to encourage indifferent production of any kind, or to distribute premiums equally among exhibitors. No premium will be awarded to any exhibit that does not possess high intrinsic merit.

Unless otherwise specified in the Department Rules and Regulations, NO EXHIBITOR MAY WIN MORE THAN TWO PREMIUMS IN ANY ONE INDIVIDUAL CLASS, AND NOT MORE THAN ONE PREMIUM IN ANY GROUP CLASS.

No exhibitor may accompany judges during their deliberations except such attendants as are necessary to handle and show livestock and other such exhibits. Any exhibitor attempting to interfere with the judges during their adjudications, or who publicly expresses disapproval of the decision of the judges, will be excluded from further competition and any premiums previously won will be forfeited.

Fraud or deception as to breeding, or in any other form, will be exposed and the exhibitor guilty of such violation will be excluded from further participation in the Fair, and all premiums previously won will be forfeited.

Premiums will be paid only on the basis of the records of the judging reports, which will be signed by the judge and by the Department Superintendent or Director. Ribbons will be securely attached to the articles upon which they were awarded, if possible, but the ribbons have no value in the payment of premiums since they may become detached and find their way on to the wrong exhibit.

Entries made in wrong classes may be reclassified by the Department Superintendent, BUT ONLY IF SUCH RECLASSIFICATION IS MADE IN THE OFFICE OF, AND WITH THE APPROVAL OF, THE DIRECTOR OF THE ENTRY DEPARTMENT. Records must be changed when entries are reclassified. If the records are altered and the entry department files are not changed, premiums will be withheld.

Judges, when requested, may give the reasons for their decisions embracing the value and desirable qualities of the exhibits to which they have awarded premiums.

Judges will not award premiums or ribbons to any article or animal that does not qualify for one of the classes in the State Fair Premium List.

Premiums will be paid to winning exhibitors as soon after the awards are made as it is possible to compile and check all reports. Premiums not collected during the Fair will be mailed to the exhibitor at the post office address given on his or her entry form. Errors in premium statements will be corrected until December 1, 1971, after which time the books of the 1971 Fair are closed.

The following colors of ribbons will be used to designate awards:

Reserve Champion	Lavender
First Premium	Blue
Second Premium	Red
Third Premium	White
Fourth Premium	Pink
Fifth Premium	Yellow
Sixth Premium	Dark Green
Seventh Premium	Light Green

VOCATIONAL REHABILITATION

DEPARTMENT "C"

SUPERINTENDENT:

CLAUDE A. MYER, Assistant Superintendent for Vocational Rehabilitation, N. C. Dept. of Public Instruction

Vocational Rehabilitation is a public service provided by North Carolina, with Federal aid, to assist handicapped persons to enter or return to gainful employment.

Since 1921, thousands of mentally and physically handicapped people have been helped to secure employment. Through the years ahead Vocational Rehabilitation will help thousands more. Can we help you, or someone you know? If so, see our exhibit for addresses and telephone numbers of our many offices across the state.

Division of Vocational Rehabilitation, State Department of Public Instruction.

SCHOOL EXHIBITS

DEPARTMENT "D"

STATE SUPERINTENDENT:

DR. A. CRAIG PHILLIPS

ASSISTANT STATE SUPERINTENDENTS:

DR. JEROME MELTON, Program Services; DR. H. T. CONNER, Research and Planning; DR. MAX ABBOTT, Administrative Services; JAMES T. BURCH, Special Services, Coordination for State Fair Division of Public Information and Publications, TOM I. DAVIS, Director.

"Schools in the Seventies" will be the theme of the State Department of Public Instruction's innovative exhibit at the 1971 State Fair. The Department's exhibit will be housed in a geodesic dome near the arena to "tell the story" of public education in North Carolina.

It is anticipated that as many areas as possible of the public schools and allied activities will be given prominent roles. There will be something new every day in the main exhibit, such as actual kindergarten classes, students actually engaged in various courses of occupational education, live television, communication centers, and all phases of school activity from kindergarten through the 12th grade.

Emphasis will be placed on the cultural arts, including choral groups, musicians, dances, and student artists at work.

More than 150 members of the State Department of Public Instruction will be involved in planning and preparation. School systems are invited to participate and innovation will be given prime consideration. Various school groups, including many student organizations, are also being invited to submit ideas and participants for the "Schools in the Seventies" exhibit.

Complete schedules as well as participants will be widely publicized prior to opening day.

INFORMATION FOR EXHIBITORS

COMPETITION: Limited to entries from North Carolina, with Division open to all North Carolina Residents.

ENTRIES: Please note entry dates as specified in each Division. Where made by mail, Advance Entries should be **MADE EARLY**. List **ALL CUT FLOWERS** you expect to have as it is much easier to "mark off" the flowers that do not bloom in time, than to have to make tags and special entries at the last minute.

SPECIAL PARKING: The Flower Show is in the Greenhouse in front of the Administration Building. **FLOWER SHOW EXHIBITORS** should come to the **OFFICIAL PARKING LOT** as in former years, and drive to the **EAST (Raleigh side) end of LOT**. Special Flower Show Gate will be open or enter at Gate 12.

RELEASE OF EXHIBITS: They must be picked up on Sunday, Oct. 24th between 8:00 and 3:00 P.M., and **EXHIBITS NOT CLAIMED BY 3:00 P.M.** will be considered abandoned and the State Fair will not be in any way responsible for them after that date and hour.

SPECIAL NOTE: It is suggested that in hardening your flowers for exhibit that they **BE CUT EARLY IN THE MORNING** and **PLACED IN WARM WATER (120 to 140 degrees)**. **TO KEEP THEM OVERNIGHT** they should be kept in a **COOL PLACE**. If available, cut flowers should be kept in a **COOLER** at **ABOUT 40 DEGREES**.

RULES AND REGULATIONS

Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations will govern all entries and competitions in this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after available space is taken.

All plant material exhibited in specimen classes **MUST** be **GROWN** by the exhibitor.

Unsuitably exhibits may be removed at discretion of the superintendent.

Where there are fewer entries than required to fill a class, the judges may award a prize of such rank as the exhibit deserves. Unworthy and/or substandard exhibits will not be placed.

All exhibits will be under the supervision and care of the Show Superintendent. Proper attention will be given and every effort will be made to prevent theft or damage, but the North Carolina State Fair or the Show Superintendent assumes **NO** responsibility for loss of personal property of the exhibitors. Dead flowers will be removed and the ribbons held in the Department.

Each exhibitor may make one entry only in each class, and no entry may be entered under more than one class. Each exhibitor may enter as many of the "open" classes as desired. Artificial flowers are not permitted.

MAIL ENTRY BLANKS EARLY, TO: Entry Dept., N. C. State Fair, P. O. Box 5565, Raleigh, N. C. 27607. Be sure to include your full address, including ZIP CODE, on entry blank.

SPECIAL AWARDS

INFORMATION FOR EXHIBITORS

COMPETITION: Limited to Residents of North Carolina (All PRODUCTS EXHIBITED IN THIS DEPARTMENT MUST HAVE BEEN GROWN IN NORTH CAROLINA BY THE PERSON OR FIRM IN WHOSE NAME THE EXHIBIT IS ENTERED.)

ENTRIES CLOSE Thursday, October 14, 1971, at 2:00 p.m.

EXHIBITS MUST BE IN PLACE: Thursday, October 14, at 6:00 p.m.

LOADING STARTS: Friday, October 15, 1971, at 8:00 a.m.

RELEASE OF EXHIBITS: Saturday, October 23, at 5:00 p.m., and POSITIVELY NOT BEFORE THAT DATE AND TIME. Exhibits (except apples—see Special Note below) unclaimed by 8:00 p.m. on Saturday, October 23 will be considered abandoned and the Fair will not be responsible for them after that time.

SPECIAL NOTE !!

Because of the extended duration of the N. C. State Fair it is assumed that most, if not all, apples will be out of condition by the end of the Fair. Premiums were increased to compensate for this and all exhibited apples will become the property of the N. C. State Fair at 5:00 p.m. of the closing day. Any money received from the salvage of the apple exhibit will be given to the N. C. Junior Horticulture Fund, N. C. Department of Horticulture, N. C. State University for the youth program involving apples.

Rules and Regulations

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will

govern this department. **BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in **EACH CLASS**—"1" Fruit and Nuts, and "2 and 3" Vegetables, of this department, and separate form for entries in each other department of the Fair. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address and zip code.

List the Department Letter "G" for Horticulture and the Class Number: "1" for Fruits or Nuts, and "2 and 3" for vegetables, for which each entry is made. Also, list the premium number and the description of the article, exactly as shown in the Premium List.

Entry Tags should be picked up at the Entry Department immediately upon arrival on the Fairgrounds. An Entry Tag must be attached to each exhibit before it is presented in the Department for display.

As far as possible, it is urged that all Horticultural Products be brought in and set up by the exhibitor. Where it is not possible, shipments should be made in time to reach the Fairgrounds no later than Wednesday, October 13 and should be addressed to: Superintendent, Horticulture Department. N. C. State Fair, P. O. Box 5565, Raleigh, N. C. 27607.

Where it is not possible to personally bring the products to the Fair and arrange them, the Superintendents will be glad to arrange the products in the most attractive manner possible. However, they will not pack box or basket entries for exhibit. Exhibits mailed or shipped to the Fair should be carefully labeled to show the name and address of the exhibitor, and the nature, and class in which entered, of the contents of the package.

The State Fair will furnish, **PLATES, QUART AND PINT CONTAINERS, CORRUGATED CARTONS FOR SWEET POTATOES, AND TRAYS** for exhibits, but no other containers. The number of specimens for each **PLATE** display is specified in the premium list. *Standard size tray, 11½ x 18 inches inside measurements, and 3 inches deep, will be used. Exhibitors should make a tray of the required dimensions and pack the exhibit to determine the number of specimens required.* At least one extra specimen for each plate, and three or four extra specimens for each tray, should be brought or shipped to the Fair to allow for possible damage in transit.

To insure uniformity in exhibit material and to facilitate judging, the following sizes for apple varieties will be recognized:

Variety	Diameter
Arkansas	3 to 3½ inches
Bonum	2¾ to 3 inches
Delicious and named bud sports	2¾ to 3¼ inches
Grimes	2¾ to 3¼ inches

Jonathan	2¾ to 3 inches
Golden Delicious	2¾ to 3¼ inches
Rome and named bud sports	3 to 3½ inches
Stayman and named bud sports	3 to 3¾ inches
Winesap	2¾ to 3 inches
York and named bud sports	3½ to 3¾ inches

Fruits and vegetables to be exhibited in plates and trays should be carefully wrapped and packed for shipment to the Fair. Wrap separately in paper and pack firmly in a box, taking care to avoid bruising. Label each variety plainly and put in dividers to keep varieties separated. Do not use hay, fodder, excelsior or any other dusty packing material. Any exhibit that rots, is unsightly or becomes unsightly will be removed from display (after judging) at the discretion of the superintendent.

Quality—Not Quantity

In selecting Horticultural products for exhibit, choose only those specimens that are of uniformly good quality, form and color, true to type, and free from all insect and disease blemishes, and free from cuts and bruises. Premiums offered for the best collection of fruits or vegetables will not be awarded for a mere pile or for the greatest number of varieties, BUT MAINLY ON THE BASIS OF QUALITY. Do not knock or shake fruit from the tree, but pick each specimen by hand, taking care not to pull out the stem. Products should be exhibited as nearly as possible in their natural state, and no preference will be given in the judging for highly polished fruits or vegetables.

Entries of Commercial containers of apples and sweet potatoes should be graded to uniform marketable size, high color, smoothness, trueness to type, freedom from cuts and bruises, and free from insect and fungus blemishes. They should be properly packed and faced in standard containers.

Entries of "Collections" and under "Any Other Variety" must be correctly named by the exhibitor. In the nomenclature of fruits, the names adopted by the American Pomological Society shall rule, and no variety will be accepted that has not been admitted to their catalogue, except in the case of seedlings never before exhibited.

Awards and Judging

No awards will be made for unworthy specimens, where quality is lacking, or where any of the Rules and Regulations governing these exhibits are disregarded.

No article entered for competition in any class will be permitted to compete for a premium in any other class. AN EXHIBITOR CANNOT COMPETE FOR MORE THAN ONE PRIZE IN ANY CLASS.

No exhibitor will be allowed to discuss exhibits with the judges, or to interfere in any way while the judges are at work.

THIS BOOK. Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this Division.

Entries

MAKE YOUR ENTRIES EARLY! The right is reserved and will be used to reject entries received after all available space is taken. Even though this occurs before specified time for closing entries.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use a separate form for making entries in each department. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address.

Indicate on the form the total number of animals you will exhibit, including nurse animals, and the total number of stall spaces (four feet wide) or pens (6 x 8 feet in size) you will require, including those to be used for gear, feed and bedding.

List the class number, as indicated in the premium list, for which each

entry is made. *Use a separate line for each animal.* Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes, but it is not necessary to name the animals which will make up your group or herd entries until after the judging of the individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name (or ear tag number) and registry number of each animal entered, its date of birth, its sex, the names (or ear tag numbers) and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the superintendent.

All beef cattle and swine over six months of age and all sheep over three months of age must be registered with their respective breed associations in the name of the bona fide owner, who must have owned the animal at least 30 days prior to the closing date for entries in the department. Also all dairy cattle exhibitors must show official evidence of ownership of animal prior to showing. (See exceptions to this rule for group classes only in some departments).

Fees

Stall or pen fees are required for all entries in the senior and open classes of the Livestock Division. Entries exclusively in the junior livestock shows are not subject to stall or pen fees.

All applications for stall spaces and pens must be noted on the entry form, AND REMITTANCES FOR SAME MUST ACCOMPANY THE ENTRY APPLICATION FORM. Reservations will not be made unless accompanied by the required fee, and REMEMBER: THE RIGHT IS RESERVED TO REJECT ENTRIES RECEIVED AFTER ALL AVAILABLE SPACE IS TAKEN. ENTRIES WILL BE ACCEPTED IN THE ORDER RECEIVED.

Animals duly entered in the show which will be exhibited competitively in the show ring will have priority on stall and pen space; thereafter, should additional space be available, display animals will be assigned stall or pen space.

Sheep

All sheep exhibited must be accompanied by an official health certificate issued by a qualified veterinarian and approved by the State Veterinarian certifying that such sheep are free from any symptoms of a contagious or infectious disease; that they are from premises where no known contagious or infectious disease of sheep exists and should designate they are free from scabies and exposure to same.

Sheep originating from scab eradicated areas are to be from scab free flocks and the individuals exhibited shall be dipped under Federal or State supervision within 10 days of date of entry.

Swine

All Swine exhibited must be accompanied by an official health certificate issued by an accredited, or State or Federally employed Veterinarian certifying that no animal listed on the certificate is infected with or has been exposed recently to any communicable disease. The certificate shall contain the consignor's name and address, and an accurate description of each animal including registration, tattoo or ear tag number. The certificate shall show that each animal has been given the recommended dose of anti-hog cholera serum (or antibody concentrate)* by an accredited veterinarian within 5 days of admission to the fair.

Health certificates for exhibition swine are valid for 60 days from the date of issue, provided that each animal shall receive an additional dose of anti-hog cholera serum (or antibody concentrate)* before entry to another fair if 5 days have passed since the last dose was given. The health certificate shall show that swine 5 months or more of age were negative to an official blood test for Brucellosis within 60 days of admission to fair, provided that swine originating from a validated Brucellosis-Free Herd are not required to be tested.

Under 60	20	10

Exhibits and Exhibitors

The Fair management will use diligence to insure the safety of livestock entered for exhibition or display, but under no circumstances will it be responsible for loss, injury, theft or damage by fire, lightning, wind, or any other agency, to such livestock on exhibition or display.

All livestock on exhibition must be cared for by the exhibitor (except entries in Special Junior Dairy Cattle Exhibits.) All stalls (except entries in Special Junior Dairy Cattle Exhibits.) All stalls and pens will be well bedded one time by the Fair, free of charge. Thereafter, exhibitors will be required to furnish their own bedding.

The Fair reserves the right to discriminate against both excessive obesity, which cannot be a profitable condition for breeding animals, and excessive leanness, in which condition animals are unfit for exhibition.

No barren animals will be eligible in breeding classes. An affidavit that an animal is a breeder must be furnished on request.

All cattle must be halter-broken. No dairy bull over one year of age will be allowed on the grounds without a ring in his nose and must not be led from his stall except by a staff, rope or chain attached to or leading through the ring. Boars over one year of age must have had their tusks removed.

Exhibitors must keep their animals uncovered between the hours of 9:00 a.m. and 5:00 p.m. each day of the Fair. Premium money will be withheld from exhibitors violating this rule, except in case of sickness of animals or inclement weather, and then only on authorization of the Superintendent.

A great educational feature of the Fair is the exhibitions and parades of approved livestock by breeds and ages. Exhibitors refusing for any cause not meeting with the approval of the management to lead out animals for parade will not only forfeit all premiums won, but will be barred from further participation in the Fair, and will be required to remove their stock from the Fairgrounds within six hours after such refusal, and will forfeit any fees paid.

Misrepresentation as to breeding and irregularity in showing will be exposed and any premium won by such exhibitor will be withheld. Certificates of registration must be shown on demand of the Livestock Superintendent.

Any artificial means of removing or remedying physical defects or conformation in exhibition animals, such as lifting or filling under the skin, will be considered fraud and deception. All animals giving evidence of such treatment will be barred from exhibition at this Fair, and at all Fairs holding membership in the International Association of Fairs and Expositions.

Exhibitors must keep the space in the rear of their stalls or pens, and the alleyways in the exhibition halls, clear and clean. All litter must be thrown where directed by the Superintendent or Directors.

Animals must be transported to and from the Fairgrounds at the expense of the exhibitor. The Fair management will not pay any charges for express, freight or drayage. To avoid switching charges and delay, rail shipments should be billed as follows: "For Exhibit, N. C. State Fair, Camp Polk, N. C. c/o Seaboard Air Line Railroad." Shipments via express or motor transport should be addressed to the exhibitor, or to: Livestock Superintendent, N. C. State Fair, Raleigh, N. C.

Exhibitors are responsible for ascertaining when their stock will be judged. Animals must be in the show ring promptly after being called. Exhibitors failing to comply with this rule may have their animals excluded from competition.

Judges and Awards

NO EXHIBITOR MAY RECEIVE MORE THAN TWO PREMIUM MONEYS IN ANY ONE CLASS. However, ribbons will be awarded exactly as the animals are placed by the judge. EXAMPLE: An exhibitor makes three entries in a class, and his animals place "First," "Second" and "Third." He would receive only the first and second premium moneys, but all three ribbons. Then, the owner of the animal placing "Fourth" would receive the third-place premium money and the fourth-place ribbon; and so on down the line.

The decision of the judges will be final, and no appeal will be considered except in case of protest. The rules of the International Association of Fairs and Expositions govern appeals at the North Carolina State Fair. Protests must be in writing and filed with the General Livestock Super-

ntendent by noon of the day following the award, accompanied by a protest
ee of \$5.00 which will be retained by the Fair if the protest is not sus-
ained by an impartial Protest Committee appointed by the General Live-
stock Superintendent.

No unworthy animal will be awarded a premium. Where there are fewer
animals shown in the class than the number of premiums offered, the judge
may, at his discretion, award a prize or prizes of such grade as the animal
or animals deserve.

Where there is only one entry in a class, second premium will be awarded
unless in the opinion of the judge the animal is sufficiently meritorious
as to justify the full award as provided for.

Herdsmen's Contests

Special prizes will be awarded in contests for herdsmen, shepherds and
caretakers of animals in all livestock departments. All herdsmen will
automatically be considered entrants and no special entry is required.

The contests will start at a time designated by each Department.

The following score card will serve as the basis for the judges in the
Herdsmen's contests making their decisions:

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken and after the closing date.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office number, or city street address, and Zip Code.

Indicate on the form the total number of animals you will exhibit, including nurse cows, and the total number of stall spaces (four feet wide) you will require, *including those required for gear, feed and bedding.* For entries in the senior classes, payment of \$3.00 fee for each stall space requested must accompany your application. No fee is required for entries exclusively in the Junior Show provided they are tied in the section set aside exclusively for juniors. Junior entries wishing to show in the open show will be required to pay stall fee in accord with open show regulations.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes, but it is not necessary to name the animals which make up your group or herd entries until after the judging of the individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name and registry number of each animal entered, its date of birth, its sex, the names and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown at any time if requested by the Superintendent.

All animals over six months of age must be registered with their respective breed association in the name of the bona fide owner, who must have owned the animal for at least 30 days prior to August 1, 1971.

In breeding classes, to be eligible to show, all cows 42 months of age or older must have produced a calf carried to maturity within the last 18 months prior to the opening date of the Fair. Every bull 36 months of age or older must have had dropped to his service during the last 12 months prior to the opening date of the Fair a living calf. In case the exhibitor, upon demand of the superintendent, cannot verify by affidavit or registration certificate the facts of the above requirement, the animal will be excluded from competition.

In making awards in the breeding classes, the judge will lay much stress on the evidence of superior breeding qualities. When animals show evidence of being "overdone" (overloaded with flesh) they will be discriminated against accordingly.

Mail entries, make checks for stall fees payable to, and address requests for additional application forms and further information, to: MANAGER N. C. STATE FAIR, P. O. Box 5565, Raleigh, N. C. 27607.

PUREBRED DAIRY CATTLE ASSOCIATION

Show Ring Code of Ethics

Believing it is in the best interest of all breeders of Registered Cattle to maintain a reputation of integrity and to continue to present a wholesome and progressive image in the show ring, the Purebred Dairy Cattle Association of America lists herewith those practices which are considered unacceptable in presenting Registered dairy animals in the show ring. The use of such practices or procedures is, therefore, considered unethical in the showing of Registered cattle.

1. Misrepresenting the age of the animal for the class in which it is shown.
2. Balancing the udder by any abnormal means including the use of a mechanical contrivance, or the injection of fluid or drugs.
3. Setting the teats and/or occluding (sealing the ends) with a mechanical contrivance or with the use of a chemical preparation.
4. Treating or massaging the udder or its attachments with an irritant or counter-irritant. The use of common products as fly spray, ointment or liniment in excess to the extent that it is irritating is included as an irritant unless required to reduce edema at time of calving.
5. Treating or massaging any part of the body internally or externally with an irritant, counter-irritant, or other substance to temporarily straighten a weak back or loin or to produce unnatural animation.
6. Minimizing the effects of crampiness by feeding or injecting drugs, depressants or applying packs or using any artificial contrivance or therapeutic treatment excepting normal exercise.
7. Blocking the nerves to the foot to prevent limping by injecting drugs.
8. Striking the animal to cause swelling in a depressed area.
9. Surgery of any kind performed to change the natural contour or appearance of the animal's body, hide, or hair. Not included is the removal of teats and horns, clipping of hair and trimming of hooves.
10. Insertion of foreign material under the skin.
11. Changing the color of hair at any point, spot or area on the animal's body including the blackening of a gray spot.
12. The use of alcoholic beverages in the feed or administered as a drench.
13. Administration of a drug of any kind or description internally or externally prior to entering the show ring, except for treating a recognized disease or injury and for tranquilizing bulls two years old and over. For the purposes of these rules, the term "drug" shall mean—any substance, the sale, possession or use of which is controlled by license under federal, state or local laws or regulations and any substance commonly used by the medical or veterinary professions which affect the circulatory, respiratory or central nervous system of a cow.
14. Criticizing or interfering with the judge or other exhibitors while in the ring.

In keeping with the basic philosophy of the Association, ethics is an individual responsibility. Violators are subject to the disciplinary provisions of the By-Laws of their respective Breed Associations.

Entries to be eligible for Production recognition.

Production taken from the individual cow page of the DHIA Reports the production level must be 1,000 pounds of milk over the DHIA Breed average for the southeastern region. 305 days 2x mature equivalent, the individual cow page must be at the barn during the Fair week.

STATE HERD CLASS FOR REGIONAL HOLSTEIN SHOW—Shall consist

of 8 animals from one state as follows—one bull any age; two females, two years old or over (or heifer that has freshened); three females under two years of age and never fresh, two other females any age.

The entry must name the person or persons who will be in charge of the State Herd and who will name the animals that will constitute the herd.

The following other requirements must be met

- (a) The 8 animals in the State Herd must be owned by not less than three exhibitors with no exhibitor furnishing more than 3 animals and all animals in which a breeder owns a partnership interest will be counted in these three.
- (b) Animals comprising a State Herd must be owned by exhibitors whose farms are located within the state and whose cattle are tested by the Bureau of Animal Industry of that state.
- (c) All animals from a herd or farm regardless of ownership shall be counted in the three head allowed one exhibitor.
- (d) Cattle owned by state institutions will be allowed to show in the State Herd Class, but all institutions in a state will be considered one exhibitor and allowed to show not more than 3 head in a state group.
- (e) All the animals must be headed and shown in the open individual class under their respective owners name. Consignors to state herds must conform to all open class regulations.

State Herd Premiums

Each State Herd exhibited will receive \$100 direct from the Holstein-Friesian Association of America and \$100 from the North Carolina State Fair.

Senior "Open" Dairy Show

For this purpose, the following award is made to help defray the costs of arranging and presenting this exhibit:

The contest will start Monday, October 18 at noon and will continue through Saturday, October 23 at 12:00 noon, at which time the winners will be announced. The score card which will serve as the basis for the judges making their decision will be found under the General Rules and Regulations of the Livestock Division.

N. C. BROWN SWISS BREEDER'S ASSOCIATION AWARD

Meadowbrook Farm trophy to be awarded to exhibitor of the Grand Champion female of the Junior Brown Swiss Show.

AMERICAN GUERNSEY CATTLE CLUB "SPECIAL"

The 1971 State Fair has been approved by The American Guernsey Cattle Club as the official State Guernsey Show. Ribbons will be awarded by The American Guernsey Cattle Club, Peterborough, New Hampshire, to the breeders of the first two prize winners in the individual classes for females. The first two prize winners in each of the individual female classes, and the first three prize winners in the Get-of-Sire and Produce- of-Dam groups will be published in the Performance Register of The American Guernsey Cattle Club.

N. C. GUERNSEY BREEDERS ASSN. AWARDS

The North Carolina Guernsey Breeders Association has offered the following trophies to be presented at the N. C. State Fair. The names of the 1971 winners will be engraved on the trophies. These are all perpetual trophies and will be returned to be presented to the winner at the 1972 N. C. State Fair.

ALLAN MANOR FARM TROPHY—To be awarded for the first prize winner in the North Carolina Senior Get-of-Sire class. Limited only to N. C. Exhibitors.

CLEAR SPRINGS FARM TROPHY—To be awarded for the Grand Champion North Carolina Guernsey female. Limited only to North Carolina Exhibitors.

W. CLARK FLEMING TROPHY—To be awarded for the 1st prize Best Three Females in the Guernsey Open Show. Any exhibitor eligible to win this trophy.

Health Regulations

Health regulations of the Veterinary Division of the N. C. Department of Agriculture will be strictly enforced. **BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION"** before entering or competing in this department.

Every precaution should be taken on the part of the exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All cars and trucks used for transportation of cattle to the Fair should be thoroughly cleaned and disinfected before use. Vehicles regularly used for the transportation of animals are considered "exposed" premises under the health regulations of the Veterinary Division.

MILKING PARLOR

A modern milking parlor with trained operators is available for exhibitors with lactating cows. This facility, initially sponsored and constructed by the North Carolina Purebred Dairy Cattle Association and the N. C. State Fair, is an outstanding facility for presenting to the milk consuming public the story of the production of clean wholesome milk. The impressions formed by people are very important in their decisions to drink milk and these impressions are not good when they see cows milked in dirty feed pails in the barn. *Thus, exhibitors are urged and expected to cooperate in using the milking parlor during the fair.* Exhibitors are urged to wear white coats while milking. If exhibitor does not use the milking parlor, then cows *must be milked with machines or into pails approved by Wake County Health Department officials.* The parlor will be in operation during the Fair week, and exhibitors can milk at any time during the day or night, but are urged to use a standard milking time if possible. The net returns from the sale of milk produced in the parlor is used for the N. C. Purebred Dairy Cattle Scholarship in Dairy Husbandry.

PRODUCTION CREDIT FOR MILK BASE ALLOTMENT

Milk base allotment will be granted by the N. C. Milk Commission for the production of milking cows being exhibited at N. C. State Fair. The average daily production for the number of days away from the farm will be used. Production data should be certified by DHIA supervisor or dairy plant and number of milking cows at show and days away from farm are to be certified by Superintendent of Dairy Cattle Show.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Livestock Division, and the General Rules and Regulations of the Fair, will govern this department. **BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated here-with for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! THE RIGHT IS RESERVED AND WILL BE USE TO REJECT ENTRIES OR PART OF ENTRIES RECEIVED AFTER ALL AVAILABLE SPACE IS TAKEN.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address and zip code.

Indicate on the form the total number of animals you will exhibit, and the total number of stall spaces (four feet wide) you will require, includ-

ing those you will need for gear, feed and bedding. Payment of a fee of \$3.00 for each stall space requested must accompany your application.

ALL NURSE COWS HAVE BEEN RULED OUT and will not be allowed on fairgrounds.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the Championship classes. Indicate if you plan to make entries in the group classes, but it is not necessary to name the animals which will make up your group entries until after the judging of the individual classes. Entries in the group classes must have previously been exhibited in the individual classes.

List, also, on the application form the name and registry number of each animal entered, its date of birth, its sex, the names and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the Superintendent.

All animals over six months of age must be registered with their respective breed association in the name of the bona fide owner, who must have owned the animal for at least 30 days prior to October 1, 1971. No exhibitor may win more than two premium moneys in any one class.

Health regulations of the Veterinary Division of the N. C. Department of Agriculture will be strictly enforced. **BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION"** before entering or competing in this department.

Every precaution should be taken on the part of exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All cars and trucks used for transportation of cattle to the Fair should be thoroughly cleaned and disinfected before use. Vehicles regularly used for transportation of animals are considered "exposed premises" under the health regulations of the Veterinary Division.

First place winners in individual classes are eligible to compete for Championship awards. Other first place winners in individual classes, plus the second place winner in the individual class which produced the Champion, will be eligible to compete for Reserve Championship awards.

Except in cases of conflict, in which event the following rules and regulations will prevail, the General Rules and Regulations of the Fair, and the General Rules and Regulations of the Livestock Division, will govern this department. **BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved and will be used to reject entries received after all available space is taken, even though this time occurs before date of closing of entries.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address, county, and zip code.

Indicate on the form the total number of animals you will exhibit in each class and each show, and the number of pens you will require. For entries in the senior classes, payment of a \$1.00 fee for each pen required must accompany your application. No fee is required for entries in the Junior Show or Barrow Show.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the championship classes.

All breeding animals must be registered with their respective breed associations and certificates of registration must be presented at time of show, for checking as to earmarks.

All animals must be entered in the name of the bona fide owner who must have owned the animal prior to September 16, 1971.

A Landrace Show will be held if at least three breeders each enter animals in a minimum of five classes. Breed classes may be deleted after a two year period without competition.

No exhibitor may make more than two entries in any one class.

Boars, one year old and older, shall have their tusks removed prior to showing, or they will be disqualified.

Health regulations of the Veterinary Division of the N. C. Department of Agriculture will be strictly enforced. **BE SURE TO READ THESE UNDER "GENERAL RULES AND REGULATIONS OF THE LIVESTOCK DIVISION"** before entering or competing in this department.

Mail entries, make checks for pen fees payable to, and address requests for additional application forms and further information, to: **MANAGER, N. C. STATE FAIR, P. O. Box 5565, Raleigh, N. C. 27607.**

Registration Certificate Resolution

All exhibitors and their helpers will be required to carry the registration certificate for each animal into the show arena. That he then would be able

to rapidly and absolutely identify that hog as the one shown and officially eligible for the class by his registration certificate showing farrowing date and ear marks. Further, an animal that is exhibited and not properly identified be thrown out of the show. Unanimously approved by all secretaries of the members of the National Association of Swine Records, March 2, 1958.

2 Junior Boars; 2 Senior and 2 Junior Females.

Entries will be judged under the Danish system, with the exception of the top 2 placings in each class. The top 2 animals of each Junior Show class will be eligible for competition in the Open Show. However, an individual Junior exhibitor may bring only one (1) animal from the Junior Show into any particular class of the Senior Show.

Junior animals are released immediately following completion of the Junior Show and must be taken home unless Junior exhibitors elect to exhibit eligible animals in Open Show. In such cases release time will be the same as for the Open Show.

RULES AND REGULATIONS

Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THE BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated here for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments of the FAIR. *Be sure to fill out the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address, and zip code.

In filling out the form, write "Poultry" or the department letter "Q" in the first column headed: "Dept." In the next column headed: "Class No." write the letter "A" if your bird is entered in the "Production Show," the letter "B" if entered in the regular classification, and the letter "C" if entered in the "Miscellaneous" Classification, etc. In the third column, headed "Premium List No." write in the number shown for the sex and age of the breed and variety you are exhibiting. For instance, if you were entering a S. C. Production Red pullet in the Production Show, you would enter the number "4" as indicated in the premium list under the column headed "Premium List No."

In the wide column headed "Description of Article" write the breed, if large fowl or Bantams, and variety of your bird exactly as they appear in the premium list. Next enter age and sex (Cock, Hen, Cockerel or Pullet). In the column headed: "Leg Band No." **BE SURE TO LIST THIS EXACTLY AS THE BIRD WILL BE BANDED WHEN SHIPPED OR BROUGHT TO THE FAIR.** Important: **LIST ONLY ONE BIRD ON EACH LINE OF THE APPLICATION FORM.**

A coop fee of 25c for each bird to be exhibited **MUST ACCOMPANY YOUR APPLICATION FORM.** Space cannot be reserved until receipt of this coop fee, and, remember: The right is reserved to reject entries after all available space is taken.

All birds must be entered in the name of the bona fide owner, who must have owned the birds for at least 60 days before the closing date for entries. No carload or professional string-man exhibit will be allowed to compete, except those who are owners and breeders of the birds they exhibit, and maintain a breeding establishment sufficient to raise the birds so exhibited.

Shipping instructions for return of birds to owner, or re-shipment, should be given on the entry form and/or in a separate letter to: Director, Poultry Department, N. C. State Fair, P. O. Box 5565, Raleigh, 27607. Return shipments, or re-shipments will be made with transportation charges **COLLECT.**

All birds are entered at the risk of the owner, and the State Fair management will not be responsible for any loss or damage, but will exercise all possible vigilance in the care of exhibits. No one will be allowed to handle

fowl on display except the owners and officials of the show, without permission of the directors. The right is reserved to coop two or more birds of the same variety, and belonging to the same person, together if absolutely necessary. In no case will two male birds be placed in the same coop.

The American Standard of Perfection (revised edition) will be the guide of the judges in awarding premiums. The premiums will be paid only on standard varieties listed in this catalog, and then only to worthy specimens. To win first premium, a bird must score at least 88 points; for second premium, 87 points. For less than 87 points, third and fourth prizes will be awarded.

The decision of the judges will be final. Protest will be entertained only when addressed to the Division Director of the Division III by noon of the day following the award, and then only when accompanied by a protest fee of \$5.00. Bases for Protests: (1) Placing a disqualified bird; (2) Fraud; and (3) Clerical error. This fee will be forfeited unless protest is sustained by a majority of the judging staff and officials of the show.

After the judging, the management will endeavor to place on the coops any advertising material supplied by the exhibitor for his coop.

Mail entries, make checks for coop fees payable to, and address requests for additional entry application forms and further information, to : MANAGER, N. C. STATE FAIR, P. O. Box 5565, Raleigh, N. C. 27607.

RULES AND REGULATIONS

Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair, and the General Rules and Regulations of the Poultry and Small Stock Division, will govern this department. **BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

The conduct of the show will be in accordance with the latest revised official show rules of the American Rabbit and Cavy Breeders Association. Interpretation of these, and other rules of this department will be invested in the Department Superintendent, the Judge and the Division Director. Their decisions will be final, except in the case of official protest as explained in the General Rules and Regulations of the State Fair.

This show is sanctioned and conducted in cooperation with the North Carolina Rabbit Breeders Association. However, membership in or registration of animals with the North Carolina or American associations is not required to enter or compete.

Entries

MAKE YOUR ENTRIES EARLY. The right is reserved to reject applications received after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments.

Be sure to fill in the application form completely, accurately and legibly. Give your rural route number, post office box number, or city street address, and zip code.

List the department letter "R" and premium number under which each entry is made. **THIS IS VERY IMPORTANT.** For instance, if you were entering a Senior Doe American White Rabbit in the individual class, you would list "R-13" in the column headed "Premium List No." on the entry form (SEE PREMIUM LIST). Be sure to also give the other information requested on the application form, including age and sex.

Rabbits entered in the Fur and Wool Classes must also be entered in the individual classes.

No exhibitor will be permitted to make more than three entries or win more than three premiums in any one class.

Fees

Payment of the following fees must accompany application for entry:

Single Rabbits	50c	Fur and Wool Classes ...	25c
Doe with Litter	50c	Meat Pens (per pen)	25c

Mail entries, make checks payable, and address requests for additional application forms and further information, to: MANAGER, N. C. STATE FAIR, P. O. Box 5565, Raleigh, N. C. 27607.

Exhibits and Judging

The Fair management will use diligence to insure the safety of stock, and will have qualified attendants on duty day and night to feed, water, and care for the animals, but under no circumstances will it be responsible for loss injury, theft, or damage by fire, lightning, wind, or any other cause.

Stock arriving sick, or becoming ill at the show, will be removed and placed under the care of a veterinarian.

Shipments of stock must be prepaid. The Fair management will not be responsible for any shipping, drayage or other transportation charges to the Fair. Shipments should be addressed to: SUPERINTENDENT, RABBIT DEPARTMENT, N. C. STATE FAIR, RALEIGH, N. C. Return shipment will be made collect by the Fair, without drayage charge, if directed by the exhibitor on his application form. Shipping crates should be strongly constructed and have the owner's name and address plainly and permanently marked thereon. The Fair management will not be responsible for any loss or damage.

No person will be allowed to handle his or her exhibits, or any other exhibits, without permission of the department directors. Any exhibitor interfering with, attempting to influence, criticizing, or otherwise causing delay and confusion during the judging, will be barred from further competition and will forfeit all awards and premiums previously won. The judging will be done within an enclosed arena and only officials of the show and their designated helpers will be permitted therein.

Each animal must have a permanent ear mark, which must be listed on the entry form. No adhesive tape or pencil marks will be accepted.

Premiums will not be paid for "Best of Breed" or "Best Opposite Sex" unless there are at least six entered in breed or variety.

The right is reserved to substitute another judge in case the judge listed is unable to officiate. Each animal must be entered in the name of the bona fide owner, otherwise exhibitor forfeits all entry fees and premiums.

NO SUBSTITUTIONS OF ANIMALS ALLOWED EXCEPT IN SAME BREED, CLASS, AND SEX.

CLASS "A"

As indicated by the premium list, juniors (under six months), intermediates (6-8 months) and seniors (over 8 months) will be judged by sex, in each breed of the individual classes, except in the small breeds in which the American Rabbit and Cavy Breeders Association does not recognize an intermediate class. In these smaller breeds, the judging will be of juniors (under six months) and seniors (over 6 months). In addition, there will be competition for pre-junior bucks and does (under 3 months) among: American Heavyweight and Giant Chinchillas, New Zealand Reds, White and Black Checkered Giants, Champagne DeArgents, Californians, and Flemish Giants and Satins. Doe with Litter classes will be judged in each breed.

Awards will be made under each premium number listed as follows (ribbons also will be awarded through fifth place in each class):

North Carolina State Fair Youth Center

General Information, Rates and Availabilities

The North Carolina State Fair Youth Center is a modern, four-building group consisting of two dormitories, a cafeteria-recreation hall, and the office-home of the superintendent. It is located in a wooded area of the North-west corner of the grounds above one of the lakes. It was built as a home-away-from-home for exhibitors at the Fair. During Fairtime the Center is operated by a staff of experienced men and women.

Throughout the year, other than at Fairtime, the facilities are available to both youth and adult groups (representing schools, civic clubs, churches, etc.). The accommodations are excellent for groups wishing to stay one or more nights in the Capital City while visiting the many points of interest in "The Magic Research Triangle" of Raleigh, Durham and Chapel Hill. The rates are very reasonable. While the cafeteria is operated only at Fairtime, good meals are obtainable nearby, and those wishing to prepare certain meals often bring foods for breakfasts and "cookout" or picnic suppers, and their small electric appliances. The electrical outlets of the recreation hall may be used for this purpose. The delightful location of the Center makes it an ideal spot for outdoor meals, while the recreation hall provides game and play space in case of inclement weather.

At Fairtime, arrangements for lodging and meals are made by the Vo-Ag Teachers, 4-H Leaders, and Farm and Home Agents of each county. Reservations should be requested well in advance, and all applications (with deposit) mailed to RESERVATIONS MANAGER, The Youth Center, P. O. Box 5565, Raleigh, N. C. TWENTY-FOURTH ANNUAL

State Fair Folk Festival

DEPARTMENT "AA"

SUPERINTENDENT:

RUTH JEWELL, Raleigh

ENTRIES:

All individual and group entires may be made in person by letter to Supt. Jewell, care of State Fair, P. O. Box 5565, Raleigh, N. C. 27607 prior to October 1, 1971.

In setting up the North Carolina State Folk Festival in 1948 our sponsors had a two-fold purpose in mind:

First: To provide additional high type and wholesome entertainment for the Fair visitors, especially those of our own State and their children who have a material and cultural interest in the Fair proper, and

Second: To encourage and foster efforts among the people of the State to preserve and develop our rich heritage of native folk arts in the forms of balladry, folk song, Gospel singing, traditional folk games and dances, and string music: to the end that the benefits derived from seeing this material presented at its best may be extended to other interested recreational and social groups throughout the state who prize its value.

FOLK FESTIVAL

To carry out the purposes above set forth, three separate programs a day for each day of the Fair will be conducted. Judging

Judging in these contests will be based on scores obtained by each group, judged for each of their appearances, on the official State Fair Score Card, a copy of which is printed on the reverse side of the entry blank. These entry blanks may be obtained by writing Supt. Jewell, and one of these entry forms must be on file not later than October 1, so that appearance times may be suitably scheduled and balanced programs presented daily throughout Fairweek. The effectiveness, the entertainment appeal, the folk value of the selection, the grace and manner of execution, skill, voice, harmony; all are to be considered by the judges, keeping these forms as close to the people as possible.

NOTICE:

All participants are urged to communicate with the Festival Director well in advance of the opening of the Fair in order that time can be arranged for their appearance.

ENTRIES:

Contestants must file official entry blanks with the Director (at above address) on or before October 11, 1971.

Premiums of \$200, \$100 and \$50, will be awarded First, Second and Third place contestants. There will also be a \$35 premium paid for Fourth place, \$25 for Fifth place and \$10 for Sixth place through Fourteenth place. TROPHIES will be awarded the Champion Bricklayer and his employer by Carolinas Branch, Associated General Contractors of America, Inc. TOOLS donated by manufacturers and suppliers will be presented to all contestants.

Designed to promote interest among young Tar Heels in the skilled construction trades, the Apprentice Bricklaying Contest has become a popular annual event at the State Fair since the first such competition was held in 1954. About 30 apprentices usually match their skills in the contest, according to the records of the last few years.

The bricklaying contest dramatizes a program which the State has sponsored through the past two decades since the Apprenticeship law was enacted by the General Assembly in 1939. Offering young people of the State an opportunity to acquire skill and proficiency in any of the skilled trades, the Apprenticeship Program has turned out thousands of skilled workmen. At present, approximately 7,000 young people are receiving apprenticeship training on the job under direction of journeymen, supplemented by related classroom instruction. The apprentice "earns while he learns."

Contest sponsors include the following:

1. N. C. State Fair
2. Apprenticeship Division, North Carolina Department of Labor
3. Brick and Tile Service, Inc.
4. Bricklayers, Masons and Plasterers International Union, N. C. Conference

TENTH ANNUAL FUN FESTIVAL FOR SENIOR CITIZENS

DEPARTMENT "DD"

SUPERINTENDENT:

JAMES M. CHAMBERS, Director of Parks and Recreation, City of Raleigh, Retired.

COMPETITION:

Limited to residents of North Carolina who have reached or passed the age of 60 years.

As usual, this will be the most important day of the Fair since YOU have been invited as a special guest and will be recognized upon your arrival. It will be a day of fun for you and all of the senior citizens of the State. You will be seated in the Dorton Arena at 11:00 A.M., Monday, October 18 where you will be entertained with a program you will long remember.

In the past, we have had various contests and had you performing on the stage. This year we will not have an actual contest — everyone will be a winner by just being present. Of course, we will recognize the oldest senior citizen and the one who traveled the most number of miles in order to attend. Our plans this year are to entertain you with many fine acts from the shows and let you hear our good Governor tell you how much he appreciates all of his senior citizens.

Last year the State Fair Management presented many Senior Citizens of the Old North State an annual lifetime pass to the Fair. It is your permanent admission to the fairgrounds. We hope you will always cherish and respect this token of appreciation and will use it every chance you have. Should you know of other senior Tarheels who are 60 years of age and older who have not received their pass, please tell them to contact Bob Wills, Director of Public Relations at the fairgrounds and he will be happy to send them one.

NATIVE WILDLIFE OF NORTH CAROLINA

DEPARTMENT "FF"

SUPERINTENDENT:

DARRELL E. LOUDER, Supervisor of Fisheries,
N. C. Wildlife Resources Commission

Hunting and fishing are big businesses in this country of ours. Tar Heels spend over \$150,000,000 each year in the pursuit of fish and game. Out-of-state sportsmen raise the total even higher. Many of the state's large industries don't generate that kind of income. That is big business and good business.

The reason is simply that North Carolina is unequalled anywhere in the nation in the variety of fish and game available to sportsmen. You can catch trout-brook, brown or rainbow--in the mountainous "Land of the Sky," or quarter-ton marlin at the edge of the Gulf Stream off Cape Hatteras and Cape Lookout. In between is a variety of upland and migratory game ranging from Russian wild boar to bear, deer, wild turkey, to ruffed grouse, bobwhite quail, rabbits, squirrels and woodcock.

Five major watersheds provide fishing for bass, bream, pickerel, redbreast, crappies and seagoing species such as striped bass, shad and herring. Reservoir fishing varies from walleye, white bass, smallmouth bass and rainbow trout in the far west to largemouth bass, bream and crappies in the central and eastern sections, with Kerr and Gaston Lakes featuring good fishing for landlocked striped bass at times. In addition, there are something like 100,000 farm ponds and mill ponds in the state for people who don't go in for expensive tackle or long fishing trips.

Wildfowlers in North Carolina can choose from a variety of migratory game birds, ranging from canada geese to mourning doves. The seasons are long and bag and creel limits are liberal in most cases. You can hunt at least one species of native game from the middle of October to the end of February, and migratory birds for over two months. There is no closed season on any game fish except mountain trout.

Add our wonderful climate to these other assets and it's easy to see why hunting and fishing are big businesses in North Carolina. Industries locate here because employee morale goes beyond good salaries, good roads, good schools and good churches. Morale is also affected by the quantity and quality of outdoor recreation available for the leisure hours. North Carolina carries on a progressive wildlife conservation program designed to make this a better state for desirable industries and their employees to locate, live and grow.
